

PROREIT announces closing of Boulevard Industrial REIT acquisition

New unitholders invited to join in PROREIT's strong track record of growth and monthly distributions

PRO Real Estate Investment Trust ("PROREIT" or the "REIT") (TSX-V: PRV.UN) and Boulevard Industrial Real Estate Investment Trust ("Boulevard") (TSX-V: BVD.UN; BVD.DB) are pleased to announce that PROREIT has closed its previously announced transaction to acquire the outstanding trust units of Boulevard, by way of a plan of arrangement.

James Beckerleg, President and Chief Executive Officer of PROREIT, said: "We welcome Boulevard unitholders as unitholders of PROREIT. We invite you, and indeed all our unitholders, to review carefully our strong track record of success while benefiting from our significant, consistent monthly distributions to all unitholders. We believe you will like what you see and that you will want to maintain your investment in PROREIT, and grow with us.

"Our goal is to build PROREIT into a larger capitalization pan-Canadian REIT with high quality commercial real estate in the retail, office and industrial sectors, producing stable returns. The Boulevard properties are important additions to our growing portfolio, and Boulevard unitholders are important to our growing base of investors in the REIT," Mr. Beckerleg concluded.

PROREIT would like to thank the board of trustees and management of Boulevard for their support and co-operation throughout the transaction process and the unitholders of Boulevard for their overwhelming support of the transaction.

Benefits to Unitholders

Subsequent to closing, all ongoing unitholders of PROREIT will benefit from the acquisition of Boulevard:

- Since its initial distribution was declared in December 2013, PROREIT has consistently declared and distributed \$0.0175 per month per PROREIT unit. The REIT is highly confident in its ability to continue paying such distributions in the future;
- Unitholders will benefit from PROREIT's increased market capitalization and liquidity;
- The acquisition is accretive to PROREIT's net asset value ("NAV") and adjusted funds from operations ("AFFO");
- PROREIT has scale, a strong balance sheet, a well-respected management team with a long-term track record of creating growth and income, and an ability to raise capital.

Impact of the Boulevard Acquisition on PROREIT

As a result of the acquisition of Boulevard:

- The PROREIT portfolio will grow to over \$200 million of gross book value, with 32 properties and approximately 1.7 million square feet of gross leasable area;
- PROREIT adds three high quality light industrial buildings. The buildings are 95% occupied by 15 tenants with average lease terms of 4.65 years. The general financial covenants of the tenants are strong with national and investment grade tenants occupying over 90% of the gross leasable area.

Holders of outstanding Boulevard convertible debentures will receive a cash amount equal to 101% of the principal amount plus accrued and unpaid interest, and an additional 30 days of interest. With the completion of the transaction, Boulevard's trust units and convertible debentures are expected to be delisted from the TSX Venture Exchange at the close of business on October 2, 2015.
