# Canada's Light Industrial Sector REIT of Choice

## Our Vision

To be the REIT of choice in Canada's industrial sector by delivering excellence, growth and lasting value.

## Our Mission

To invest in high-quality industrial real estate and manage properties to high standards, creating value through disciplined asset management, strategic growth and strong tenant partnerships.

## Medium-Term Targets<sup>1</sup> (3-5 years):

\$2B  
in Asset  
Value

45%  
Adjusted Debt to  
Gross Book Value<sup>2</sup>

## Pure-Play Industrial Target Reached

Achieved 90%  
Annualized Industrial Base Rent in Q3 2025  
(Target Set in 2022)

<sup>1</sup> Medium-term targets are based on the REIT's current business plan and strategies and are not intended to be a forecast of future results. The medium-term targets contemplate the REIT's historical growth and certain assumptions including but not limited to (i) current global capital market conditions (ii) access to capital (iii) interest rate exposure (iv) availability of high-quality industrial properties for acquisitions (v) dispositions of retail and office properties and (vi) capacity to finance acquisitions on an accretive basis.

# Our Competitive Advantages

---

Strategic Positioning in the Light Industrial Sector

Clear Strategy for Growth and Value Creation

Commitment to Sustainable Development

Financial Discipline

Seasoned Leadership with Proven Track Record

# Strategic Positioning in the Light Industrial Sector

# 01

# Focused on the Light Industrial Sector

---

## Why we like it

- / Defensive asset class
- / Solid and stable fundamentals
  - Lower market rent volatility
  - Lower operating costs
  - High-value, generic-use space that is highly marketable
  - Broad and diverse tenant base
- / Lower capital expenditures, maintenance, leasehold improvement and tenant inducement costs

## Resiliency of the light industrial sector

Small- and mid-bay properties continue to perform better than large bay in Canada in Q1-2026<sup>1</sup>:

- / 3.1% vacancy rate for small-bay (0K-50K)
- / 4.4% vacancy rate for mid-bay spaces (50K-100k)
- / 5.1% overall industrial vacancy rate

<sup>1</sup> Information from JLL Canada's survey of industrial vacancies across Canada for all space sizes for Q1 2026.

# Strategic Advantages of Our Industrial Portfolio

## Property Focus

- / Light industrial sector:
  - Light manufacturing
  - Warehouse/distribution (including temp. controlled and cold storage)
- / Small- to mid-bay
- / Single- and multi-tenant
- / Strong rental upside

Current industrial portfolio:

## Geographic Focus

- / Attractive primary and secondary markets in Canada with robust economies
- / Key markets with land supply constraints
- / High population growth areas
- / Urban locations close to local thoroughfares, highways, airports and railways

# Dominant Presence in Halifax Industrial Market

## Halifax's Burnside Industrial Park

Largest industrial park east of Montreal

~2,000 businesses

~30,000 employees

38 PROREIT Properties<sup>1</sup>, Representing 34% of Burnside Industrial Park GLA

## Constrained Industrial Market and Increasing Rents

### Average Asking Net Rent, YoY Growth<sup>2</sup>

Halifax market remains incredibly tight as shortage of supply continues to push rental rates upward

<sup>1</sup> All 38 properties in Burnside are owned jointly with Crestpoint, with each party holding 50%.

---

## Increase scale through organic and acquisitive growth

- / Build robust pipeline of accretive acquisitions
- / Leverage Crestpoint joint operation<sup>1</sup>
- / Pursue select modest redevelopment opportunities
- / Nurture existing tenant relationships, ensuring retention and growth
- / Capitalize on asset and property management synergies

## Focus on light industrial properties in Canada

- / Small- and mid-bay sized assets (between 50,000-200,000 sq. ft.)
- / Best locations close to major transportation links, high-growth population centres and land supply constraints
- / Mix of single- and multi-tenant properties
- / Light manufacturing and distribution end use
- / Attractive Canadian primary and secondary markets with strong economic fundamentals

## Optimize balance sheet and capital allocation

- / Recycle capital through sale of lower potential assets and reinvestment towards higher growth opportunities
- / Grow AFFO per Unit performance
- / Deploy capital with focus and discipline
- / Maintain consistent distributions

## About this Presentation

This presentation is dated May 13, 2026 and is strictly intended to provide general information about PRO Real Estate Investment Trust ("PROREIT") and its business. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities of PROREIT. The information in this presentation is stated as at March 31, 2026, unless otherwise indicated.

## Non-IFRS Measures

PROREIT's consolidated financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS"). In this presentation, as a complement to results provided in accordance with IFRS, PROREIT discloses and discusses certain non-IFRS financial measures, non-IFRS ratios and other specified financial measures (collectively, "**non-IFRS measures**"), including Same Property NOI. These non-IFRS measures are not defined by IFRS and do not have a standardized meaning under IFRS. PROREIT's method of calculating these non-IFRS measures may differ from other issuers and may not be comparable with similar measures presented by other issuers. PROREIT has presented such non-IFRS measures as management believes they are relevant measures of PROREIT's underlying operating and financial performance. For (i) information on the most directly comparable measure that is disclosed in the primary financial statements of PROREIT, as applicable, (ii) an explanation of the composition of the non-IFRS measures, (iii) a description of how PROREIT uses these measures, (iv) an explanation of how these measures provide useful information to management and investors, and (v) a reconciliation of the non-IFRS measures, as applicable, refer to the "Non-IFRS Measures" section of PROREIT's management's discussion and analysis for the three month period ended March 31, 2026, dated May 13, 2026 (the "**Q1 2026 MD&A**"), available on PROREIT's SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca), which is incorporated by reference into this presentation. Non-IFRS measures should not be considered as alternatives to net income, cash flows provided by operating activities, cash and cash equivalents, total assets, total equity, or comparable metrics determined in accordance with IFRS as indicators of PROREIT's performance, liquidity, cash flow and profitability.

## Forward-Looking Information

This presentation contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable securities legislation, including statements relating to certain expectations, projections, growth plans and other information related to PROREIT's business strategy and future plans. Forward-looking statements are based on a number of assumptions and are subject to a number of risks and uncertainties, many of which are beyond PROREIT's control, that could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking statements. Forward-looking statements contained in this presentation include, without limitation, statements pertaining to the execution by PROREIT of its growth strategy and the future financial and operating performance of PROREIT. PROREIT's objectives and forward-looking statements are based on certain assumptions, including that (i) PROREIT will receive financing on favourable terms; (ii) the future level of indebtedness of PROREIT and its future growth potential will remain consistent with the REIT's current expectations; (iii) there will be no changes to tax laws adversely affecting PROREIT's financing capacity or operations; (iv) the impact of the current economic climate and the current global financial conditions on PROREIT's operations, including its financing capacity and asset value, will remain consistent with PROREIT's current expectations; (v) the performance of PROREIT's investments in Canada will proceed on a basis consistent with PROREIT's current expectations; and (vi) capital markets will provide PROREIT with readily available access to equity and/or debt. The forward-looking statements contained in this presentation are expressly qualified in their entirety by this cautionary statement. All forward-looking statements in this presentation are made as of the date of this presentation. PROREIT does not undertake to update any such forward-looking information whether as a result of new information, future events or otherwise, except as required by law. Additional information about these assumptions and risks and uncertainties is contained under "Risk Factors" in PROREIT's latest annual information form and "Risk and Uncertainties" in PROREIT's Q1 2026 MD&A, which are available under PROREIT's profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).
